USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR THE OLMITO WATER SUPPLY CORPORATION

Olmito, Texas, February 18, 2004— Bryan Daniel, state director, Texas USDA Rural Development announces today that Olmito Water Supply Corporation received a \$200,000 loan and a \$11,880 grant through the agency's Community Facilities Loan and Grant program. The effort is part of USDA's Rural Development's national program to help provide rural areas build and enhance essential community facilities.

"USDA Rural Development's Community Facilities program helps rural communities keep pace with the needs of their rising populations," said Daniel. "Rural residents can utilize our programs to help provide essential public services that will enhance the quality of life for all rural residents."

The funds will be used to remodel and enlarge their existing customer service facility to better accommodate their office staff and provide them with better traffic flow for both customers and employees. The proposed expansion is 1,441 square feet for a finished total of 2,163 square feet. The population of the area served is 1,324.

In Fiscal Year 2003, a total of \$15.2 million in direct and guaranteed loans were obligated. Community Facilities loan funds may be used to construct, enlarge, or improve community facilities for health care, public safety, and public services. These loans and grants are made to public entities and non-profit organizations. Examples of eligible projects include rural healthcare clinics, town halls, fire trucks, county safety equipment, jaws-of-life, early warning systems, community centers, libraries, day care centers, and schools.
